MEDIA FACTS SHEET

General Facts

A family owned business, Mahoney Plumbing offers a complete line of plumbing, heating and cooling services. We have experience with North Shore homes ranging from the historic district of Lake Forest to the more modern construction of Highland Park's Hybernia neighborhood. Whether you live in a 600 sq. ft. condo or a 20,000 sq. ft. home, Mahoney Plumbing can take care of your plumbing and heating system.

Focused on providing the kind of personalized service you'd expect from family, Mahoney Plumbing has built it's business on creating relationships and providing solutions to area residents. Known for standing behind our services, we take pride in doing the job right the first time. Maintaining safe, healthy and comfortable homes is our top priority.

Services

Plumbing, Heating & Air Conditioning Services including Installation, Maintenance and Repair. With more than a dozen highly trained technicians, we can handle any plumbing, heating or cooling project you come across. From repairing historic homes to installing energy efficient green technologies, we are here to help with any repair, retrofit or installation job.

The following list highlights some of our services:

Plumbing

Leaky toilets, clogged drains, dripping faucets and backed up sewers are no problem. If it has to do with water or gas, we can handle it. We repair or replace with new installations any of the following:

- Faucets - All types and brands
- Toilets & Bidets
- Showers & Tubs
- Whirlpool Tubs
- Sinks
- Sump Pumps
- Battery Back-up Sump Pumps
- Water Powered Back-up Sump Pump (*no maintenance and no moving parts*)
- Water Heaters (including Tankless Water Heaters)
- Garbage Disposals
- Water Filters & Instant Hot Water Dispensers
- RPZ (Backflow) Installation & Certification
- Kitchen Connections - including Install of Dishwasher, Stove & Ice Maker Water Lines
- Low Pressure Problems, Gas Leaks, Pipe Repair and more!

Heating & Air Conditioning (HVAC)

Heating and Cooling systems make our home comfortable in the harshest of Chicagoland seasons. As a Trane HVAC dealer, we install new Trane air conditioners & furnaces. While we sell Trane, we can repair and maintain almost any brand of heating and air conditioning equipment. Our services include:

- Forced Air Furnace Heaters
- Hydronic Heat (Radiator Heat)
- Boilers
- Humidifiers
- Air Cleaners, Air Purifiers & Air Quality Products
- In Floor Radiant Heat
- Snow Melt Systems

- Heating & Cooling Systems

Sewers

Sewage is never wanted in any home. We offer both preventive sewer maintenance as well as solutions for common sewer trouble.

- Sewer Rodding
- Sewer Repair & Dig Ups
- Jetting
- Televising & Locating
- Clean Out Installation
- Chemical Root Treatments

Remodeling & New Construction

Our installation technicians can handle the plumbing, heating and air conditioning whether you are adding a room, changing a room or building a new home from scratch. From remodeling to new construction, Mahoney Plumbing offers the following new installation services:

- Kitchen Remodeling
- Bath Remodeling
- Heated Driveways
- Heating and Air Conditioning - Both Forced Air and Hydronic
- Luxury Upgrades - such as Heated Shower Floors and Seats
- New Construction

Specialty Projects , Luxury Upgrades & More

In addition to our more standard offerings, we've done many specialty projects including:

- Geothermal Heating
- Radiant Floors
- Heated Shower Floors & Seats
